SUBJECT INDEX TO VOLUME 45

JAGS 45: 1553–1560, 1997

A

Abstracts, 126, 259, 393, 537, 661, 784, 898, 1035, 1160, 1289, 1416
American Geriatrics Society and the American Federation for Aging Research, 1997 meeting, S1
Acquired immunodeficiency syndrome, delayed diagnosis of, 1282
Activities of daily living
Barthel Index for, 832
dependence
assessment of, after hip fracture surgery, 119
predictors of, based in reduced set of Mini-Mental State Examination items, 441
kyphosis impact on, 1479
postural balance and, cross-national comparative study, 21
ADL. *see* Activities of daily living
Advance directives, 1156
capacity to participate in discussions about, in nursing homes, Patient Self-Determination Act findings, 79
changes in, before and after the Patient Self-Determination Act, 10-state survey, 939
continuity of, between hospital and nursing home, 465
documentation of, resource utilization and, 513
effectiveness with the Patient Self-Determination Act and the SUPPORT Intervention, 500
in nursing homes, editorial, 114
patients without surrogates and, 369
physician role in decision-making, 399
SUPPORT intervention and, editorial, 519
treatment instructions and, 508
Adverse drug events, in high risk older outpatients, 945
Aggressive behavior, in Alzheimer's disease, 1074
Aging
